Chamber of Commerce Report – Dena DeValle

Chamber representative Dena DeValle gave the monthly Chamber Report. The Back to School Breakfast & Expo for Greenbrier School teachers was a great success with 58 businesses being included in that. Chamber Vice President Rebecca Corrigan gave an update on the NextGen initiative, where 11th grade students are given an opportunity to learn from business and community leaders around Greenbrier. Upcoming events include a Lunch & Learn on Ballot Issue #3 on Sept. 10, a ribbon cutting at Revelation Financial Management on October 15, and Boo Brier on October 29th. The Board of Directors election is also coming up in October.

Proclamation – Constitution Week – Resolution #2026-05

Mayor Hartwick presented the resolution as a proclamation of September 17-23, 2026 as “Constitution Week”. Jason Bollinger made a motion to approve the resolution. Richard Weaver seconded the motion and all voted in favor.

Piraino Security Solutions

Mayor Hartwick introduced Michael Davis, the City IT director, along with a delegation from Piraino Security Solutions. Michael Davis made it clear that the City of Greenbrier does not operate any FLOCK cameras. Any cameras used by the

City on City property are used for security purposes only, not surveillance. These cameras have been used successfully to observe crime or vandalism on City properties. Questions for Piraino Security were to affirm that there are no FLOCK cameras in Greenbrier operated by the City of Greenbrier. There are 114 security cameras operated by the City. The data that is collected is maintained privately by the City, not accessible by other agencies.

Turf for Baseball Fields

Representatives from the company that gave the bid to turf the baseball fields presented the proposed Generation Three turf samples that would be installed on the fields. The proposed bid is for \$867,000, for pivot pull turf with a shock pad. The warranty for the fields are for 12 years. The bid was carried out through the co-op bid process through the state. A motion to approve the bid for the pivot turf and shock pad was made by Mark Hardin and seconded by Larry Johnson. The vote was 5-0, with Councilman Jason Bollinger abstaining.

City Street Projects

Mayor Hartwick presented several upcoming street improvement projects. The first project will be at Linder & Brinkley streets, widening and straightening the road (\$267,000 bid). The second will be an overlay of Lake St, widening it by 2 feet on each side (\$61,000 bid). The final will fix some drainage issues on the round-about at Wilson Farm Rd. and Tyler St. A motion to approve the street improvements was made by Larry Johnson, seconded by Richard Weaver, and passed unanimously.

Kaleb Mack, Water Superintendent, informed the council the CAO presented to the wastewater plant by ADQ has been lifted as of Friday, September 4, 2026. This is due to the improvements made to the plant.

A motion to adjourn was made by Jason Bollinger, seconded by Kelly Knowland, and passed with no opposition.
